THE TRINITY CHOIR SCHOOL

offers free musical instruction for young singers in grades 2-12.

Made up of the Cathedral Choristers, Training Choir, and a new ensemble for changing and changed low voices, singers receive training in singing, piano, and music literacy from professional musicians.

They perform on their own and with the Cathedral Choir at services and concerts and will travel to San Francisco, CA for special weekend of singing in March 2024.

No religious affiliation or prior experience is necessary—just the desire to learn, work hard, and make new friends!
